Pre Intern Medical Officers

Compulsory Accident & Emergency Training for Pre-Intern Medical Officers

The Medical Service II Division of Ministry of Health, Nutrition & Indigenous Medicine collaboration With Professional Colleges of Sri Lanka are Planning to conduct "Pre Intern Training in Accident and Emergency Care Scenarios" for the consecutive 5th year for the 2019 Pre Interns.

The Provision of initial health care services for the Victims of an Accident & Emergency Situation is essential to save the life and improve Quality of Life for the rest of the one's life. Therefore these respective services should be provided by a competent Health staff especially in the golden hour. This is important and it is being adopted in the Accident & Emergency Care Service Policy.

The respective programmes are compulsory for all pre-Intern Medical Officers and in future it will be a compulsory component for Post intern appointments for enrollment.

A Certificate will be awarded for the all participants who have completed the training programs.

Please note that all training will be held on selected venues with grouping by online application made by individual candidates. Online Registration could be obtained from respective professional colleges.

Thank you,

Dr. Amal Harsha De Silva
Deputy Director General (Medical Services II)
