Subject: INVITATION: POST-COVID NEW NORMAL HEALTHCARE MANAGEMENT PROGRAMME (30 AUGUST 2021 TO 3 SEPTEMBER 2021)

Dear Partners and HEAL Alumni,

Greetings from SingHealth Singapore !

These last 2 years we have been experiencing unprecedented Pandemic which has put many of health care providers and planners to cope with new challenges. At SingHealth we think it is timely to reach out to all of you our good, friendly healthcare leaders to share our thoughts and to listen to your ideas as well. Therefore we have put together a comprehensive programme based on Singapore experience to share with all of you.

This is an invitation for you to participate in **Post-Covid New Normal Healthcare Management in the Programme**, where thought-leaders and practitioners from the largest healthcare cluster in Singapore, SingHealth will share learning points from Covid-19 pandemic and suggest plans for the healthcare institutions to prepare for the New Normal.

The programme will make use of lessons learned during the pandemic to enhance understanding of healthcare governance, leadership and management in the coming New Normal. The programme will discuss required strategy transformation, implementation and effect on healthcare delivery on the ground so we are prepared ourselves for Disease X that may hit us in the future.

The programme will be conducted **virtually (online)** for 5 days starting from :

Date : Monday, 30 August to Friday, 3 September 2021

Time : 2 PM to 5 PM (SGT)

During the 5-day session we will share best practices to prepare for the New Normal and the covered topics will be in the areas of :

- Lessons learned from Covid19
- Healthcare Financing in the New Normal
- Healthcare Leadership in the New Normal
- Healthcare Delivery Transformation

- Infection Control
- Infrastructure redesigning
- Paediatric Care in the New Normal
- Transforming People for New Normal
- Healthcare Communications

We are very happy to extend invitation to you as our HEAL Alumni to participate in this programme. If you think your other colleagues will benefit from this programme, please feel free to invite them and keep us posted.
