	<p>acupuncture and moxibustion.</p> <p>(19) Zhang Cuizhen: Director of hospital infection office of Xiyuan Hospital, CACMS, engaged in prevention and control of infectious diseases.</p> <p>(20) Miao Qing: Director of Respiratory Department of Xiyuan Hospital, CACMS, engaged in the research on respiratory diseases.</p> <p>(21) Li Jing: Director of Nursing Department of Xiyuan Hospital, CACMS, engaged in the hospital's nursing affairs.</p> <p>4. Materials to be prepared</p> <p>To facilitate the communication with Chinese experts, please prepare the materials related to the symposium topics, for example: ①Self-introduction including your specialty and organization; ②Foundation and prospect for cooperation with China; ③Suggestions and questions on COVID-19 epidemic prevention and control.</p> <p>5. Assessment</p> <p>The assessment forms will be distributed to and then collected from the students to assess the training class as a whole and its lecturing.</p>		
Place	Beijing	Cities to be (online) Visited or Investigated	None
Remarks	<p>1. Abide by the regulations of the training class and fulfill the corresponding obligations</p> <p>2. Ensure the stability of the network during the training and strictly abide by the training schedule.</p>		
Brief Introduction to the Organizer	<p>Hospital profile: Xiyuan Hospital, CACMS is the first large TCM Hospital established after the foundation of the People's Republic of China. It is a modern grade A Level 3 TCM hospital integrating medical treatment, scientific research, education and healthcare and ranked top three in Asclepius China's Hospital Competitiveness (TCM hospitals) for three consecutive years. The hospital has complete medical, surgical, gynecological and pediatric departments, with 8 of its 35 clinical departments being national key specialties. The hospital enjoys strong research ability by virtue of its clinical scientific research platforms such as National TCM Clinical Research Center for Cardiovascular Diseases and National Engineering Laboratory for Efficacy and Safety Evaluation of TCM. As the education base of Clinical School of TCM, Peking University, the Clinical School, Beijing University of Chinese Medicine, and the "Western Physicians Learning TCM" class of the National Health Commission, Xiyuan Hospital has long engaged in the education and teaching of TCM talents.</p> <p>Experience in fighting against the COVID-19 epidemic: After the outbreak of the COVID-19 epidemic, our hospital organized an 18-expert team to help the most difficult front line hospitals to fight the epidemic. In total 104 cured patients, 88 cases were treated with pure Chinese medicine based on TCM syndrome differentiation For management, the hospital has rich experience in epidemiological survey and screening.</p> <p>Experience in international cooperation for fighting against the COVID-19 epidemic: The hospital sent 6 experts to UAE to provide guidance for epidemic prevention and control. All of the 332 COVID-19 patients were cured within 30 days. The hospital also held online meetings with the medical and teaching institutions in Egypt, Nepal and Ukraine for fighting against the</p>		

	COVID-19 epidemic, with more than 300 foreign participants attended.

Part 1 Training Program Details

(1.1) Title of the Program

(1.2) ERD Code (1.3) Duration in Weeks

Part 2 Official Information

(2.1) Ministry

(2.2) Agency

(2.3) Official Address

(2.4) Telephone Number (2.5) Fax

(2.6) Email

Part 3 Personal Information

(3.1) Name of Nominee (As shown in the Passport)

(3.2) Sex (3.3) Present Designation

(3.4) Home Address

(3.5) National Identity Card Number

(3.6) Passport No. (3.7) Mobile Number

(3.8) Email

(3.9) Date of Birth (DD/MM/YY) (3.10) Age (Years)

(3.11) Years of Service to the Government in the Nominee's Career

(3.12) Years of Service in the present Agency

(3.13) Name of the contact person in an emergency

(3.13.1) Relationship (3.13.2) Mobile Number

Part 4 Academic Qualifications (Higher Education)

Name of the Institution	Country	Qualification	Year

Part 5 No. of Previous Foreign Training Attended in the past 3 years by the Nominee

Duration	Countries	No. of trainings
Less than one week		
Greater than one week & Less than 12 weeks(three months)		
Greater than 12 weeks & Less than 32 weeks (8 months)		
Greater than 32 weeks		

Part 6 Nominee's Declaration

I, the undersigned, certify that the details provided in this form describe myself, my qualifications and my experience, truly and correctly.

Date: _____ Nominee's Signature _____

Part 7 Certification of the Head of Department

Relevancy of this Training Programme to Nominee's Work (Please Check only one Box)	Vital for present work	Directly Related to Present Work	Connected to Present Work	Helpful in Future Work	For Promotions	Other (Specify)

I certify the accuracy of the information given above.

_____ Date _____ Signature of Head of the Department & the Stamp
