Dear. Dr. Sunil De Alwis

Additional Secretary (Medical Services)  
Ministry of Health

I hope this email finds you well.

I am a researcher Pyeon, Hyoyoung working with Prof.Kang, Jae-Heon.

We are pleased to announce the progress of the GKS project. Until now, there is only one applicant, and additional recruitment is required. Therefore, we plan to extend the recruitment date to **February 10th**.

As we mentioned earlier, this is a great opportunity for GKS preparers, as the course is open only to Sri Lankan nationals. For this reason, may I kindly ask you for further advertisement?

For your information, I would like to invite you to refer to the attached files—  
Advertisement Poster and Course Work Information.

Thank you always for your cooperation and interest in our project.

I wish you safe and sound.

Best regards,

Pyeon Hyo-young
