Dear All,
Greetings!

The Public Health Foundation of India (PHFI) is pleased to announce its call for applications, for **PhD in Public Health** program for the session **January 2023**, affiliated to **Academy of Scientific and Innovative Research (AcSIR)**, an Institute of National Importance under Government of India.

The aim of **PhD** program in a multi-disciplinary area of public health is to provide training to enhance professional abilities of scholars in research, problem solving, and critical thinking to address public health issues and establish them as thought leaders in public health.

The last date for accepting applications is **27th November 2022**.
 Program Information:- <https://phfi.org/course/phd-in-sciences/>

To know more about the program, kindly attend the webinar tomorrow, **November 19, 2022** scheduled from 11:00 am – 12:00 pm (IST) for which the link is given below.
