Attn: Officer In-Charge of
Foreign Trainings

Dear Sir

Seminar on Medical Equipment Research, Development and Maintenance for Developing Countries - from 13 May to 02 June 2022 (Online)

We are writing with reference to the email dated 15 April 2022 sent by the Economic and Commercial Office, Chinese Embassy in Sri Lanka on the above.

Accordingly, the Government of the People's Republic of China has invited nominations from the eligible government officials for the above online programme. The course details in this regard are enclosed.

We would highly appreciate, if you could instruct the relevant officials to circulate this programme among the Departments/Divisions/Institutes under your purview, and submit nominations to the Department of External Resources (ERD) with the following documents **on or before 06 May 2022.**

closing date - 02.05.2022.

- (i) Nomination Letter (From the attached ministry)
- (ii) China Application Form (can be downloaded from the ERD website: www.erd.gov.lk)
- (iii) ERD Form (can be downloaded from the ERD website: www.erd.gov.lk)

Your early response in this regard is highly appreciated.

Yours faithfully

	<p>abbreviation". During the class, the host will turn off the microphones of participants, and each participant shall turn on the video for recording attendance.</p> <p>4. Information security: In order to maintain information security and protect personal privacy, please do not record, take screen shots or share relevant information to any social media during class. Course materials will be sent to participants after class.</p> <p>5. Participants shall prepare materials for seminar as scheduled and submit relevant electronic materials as required.</p>	
<p>About the Organizer</p>	<p>Southern Medical University, formerly the First Military Medical University of Chinese People's Liberation Army, was established in 1951. The University was demobilized in 2004 and was renamed as Southern Medical University. It is one of the first batch of national key universities in China. Now it has 21 teaching institutes, 13 affiliated hospitals, 10 first-level disciplines for doctoral degree, 8 post-doctoral research stations, 76 doctoral programs and 100 postgraduate programs. It has a faculty of 1168 senior professionals, and 4 of them are academicians. And it enjoys very good cooperative relationships with 54 universities and medical and scientific research institutions in over 20 countries and regions in Europe, America and Asia-Pacific.</p> <p>Southern Medical University has been organizing the national foreign aid training programs since 1987. The foreign training center of the University, a detached garden-like compound on campus, is well equipped and has a professional management team. It is one of the 10 National Education Aid Bases of the Ministry of Education. It performs a variety of training programs all the year around, such as seminars on hospital management, public health management, research & development and maintenance of medical equipment, urban health management, and cerebrovascular diseases management, etc., and training courses on clinical medical techniques, prevention and treatment of infectious diseases, nursing, minimally invasive surgical techniques, medical techniques and equipment application, traditional Chinese massage techniques, intensive care techniques, perinatal techniques and etc. 3196 officials and technicians from 122 countries have been trained here.</p>
