**Training for Sri Lankan medical doctors at leading Medical and Scientific training centers in Russian Federation**

The Embassy of the Russian Federation has expressed its willingness to provide training for Sri Lankan medical doctors in 13 leading educational and scientific organizations subordinate to the Ministry of Health of the Russian Federation in the most relevant areas of Medicine. The list of universities and relevant areas is attached herewith (attachment 1).

We kindly request interested officers to apply for the training program by submitting a duly filled application form (Attachment 2). The application form should be certified by the head of the institution, and a hard copy of the application should be sent to the Additional Secretary (Medical Services) Ministry of Health.

We encourage all eligible medical doctors to take advantage of this opportunity to enhance their skills and knowledge in the field of Medicine. If you have any queries or require further information, please do not hesitate to contact us.

Office - 0112693175
